Message from the Board

Greetings,

We need Board Members! The APICS Shoreline Chapter has about 4 board members that are or will be retiring in the next few years. I'm sure some would like to leave sooner rather than later.

The reality of that is, we need a Board to have a Chapter. If we do not find replacements for the board members that will be leaving, the chapter will fold. This would affect all of us, especially those who enjoy the convenience of taking classes and attending PDM's locally.

"What's in it for me?" you ask. Being on the APIC Shoreline Chapter Board looks great on a resume. Also, you help make decisions on the Chapter's direction. There are opportunities to network at local, regional, and possibly national APICS meetings. You earn certification maintenance points! You also get a cool shirt!

"I don't have the time," you say! The Board meets for 1-½ hours, one night a month, 9 months a year, plus one 4-hour annual transition meeting (that includes breakfast) on an agreed upon Saturday in April. That's 17.5 hours a year, time well spent to help others and yourself in the Operations and Supply Chain fields.

We do have two openings "Member at Large" and "Executive Vice President". The Member at Large is an excellent opportunity to sit on the Board and learn what the APICS Shoreline Chapter is all about. Also, if you would be interested in any of the other position let a Board Member know, we may have an opportunity for you!

Please help keep the APICS Shoreline Chapter going, VOLENTEER!

For information on APICS Shoreline Chapter board member positions please email newsletter@shorelineapics.org or contact any Board Member (emails provided in newsletter).

Thank you,

Joel Jelenc

Current PDM Information

April 19th

Autumn Ridge Golf Course

One Straight Drive, Valders, WI

PDM Time: 5:00 – 8:00 pm

Speaker: Justin Nickels, Mayor of the City of Manitowoc

Topic: Chronicle of Justin Nickels

Like most of Manitowoc's citizens, Mayor Nickels grew up in a working class family with an affinity for helping those around them. Mayor Nickels saw the venue of government and public discourse - with its capacity for neighbors and strangers to come together for the collective benefit of everyone - as the perfect place to continue acting on this affinity. This led Mayor Nickels to enter politics and government at a young age - working on campaigns and debating public policy since the age of nine.

In 2005, at the age of eighteen and still in high school, Mayor Nickels beat the odds and defied the critics when he was elected to serve on the Common Council, defeating a sixteen year incumbent to represent Manitowoc's Second Aldermanic District. During Mayor Nickels' time on the Council, he remained steadfast in his commitment to listen first and act second to ensure he was acting according to the will of those he represented - a commitment that he has brought with him to the Mayor's office. Mayor Nickels served as the Council's leading advocate for fiscal responsibility, with the mantra that, "We must prioritize our needs over our wants," a mantra that he has also brought with him to the Mayor's office.

Mayor Nickels served as City Council President from April 2007 through April 2008. He was re-elected to the Council in 2007 and 2009. On April 7, 2009, Justin Nickels was elected Manitowoc's twenty-seventh Mayor - its youngest Mayor ever, succeeding Manitowoc's longest serving mayor, Kevin Crawford and re-elected on April 2, 2013.

About the Presentation:

Justin will speak about his experience in local government, talk about the state of the city, as well as goals and plans for the future.
