Enjoy your Summer!

Message from the Board of Directors

Greetings Supply Chain Professionals,

Well, here we are at the end of another great run of APICS offerings for the 2018-2019 season. As we transition to summer, I hope you find rest and relaxation this season. I want to thank all of you who got involved and helped make this a great year for us! So thank you for:

- coming to our tours and Professional Development Meetings (PDM)
- joining APICS and the chapter
- renewing your membership
- obtaining or maintaining your APICS certifications
- registering for and taking our CPIM module review courses
- subscribing to our newsletter
- visiting our website
- interacting with us on LinkedIn and Facebook

- and so much more

I would like to express my heartfelt thanks to **YOU** for your active participation and engagement in our chapter. You may have been with APICS for more than thirty years or just one but it does not matter the numbers of years, what matters is that you decided to get involved! We cannot express in words how greatly we appreciate our members and friends for their support, so thank you!

My hope is that you share your experiences with others and encourage them to join and support APICS. The rewards we all get out of APICS will increase as we get more and more people involved! There is a wealth of knowledge in the Sheboygan and Manitowoc areas, within APICS, and we try our best to tap into that resource and offer you ways to improve yourself, your company, and your networks! I personally believe the more **YOU** are involved with our Chapter, makes it better for all members. So, if you have questions, ideas, suggestions or thoughts on how we are doing, or what you would like to see, I encourage to reach out to any one of us. We need **YOU** to stay involved!

Speaking of staying involved, we are looking new members to join our board. If your employer requires continuing education as part of your annual review, this is one way to achieve that goal. Additionally, it looks good on your resume!

Of course, I would be remiss if I did not also add a special thank you to the volunteers on the Chapter's Board of Directors that spend countless hours over the course of the year to educate, communicate, host events, and support chapter performance. So, thanks to Steve, Bruce, Jim, Mark, Lori, and Michelle for all that you do!

Lastly, a special Thank You to Jim Ervin who continues to act as our Student Liaison for our Student Chapter at Large and spreading the word to future supply chain professionals.

Thank you for taking the time to read this message, and as always, please send your feedback - we're excited to be your Chapter!

With Thanks!

Respectfully,
Rhonda Shermeister, CPIM
Shoreline Chapter President
