APICS Fun

“How long do you think it will be before he notices we're not moving?”

Message for the Board

Greetings,

Wow, it is hard to believe February is already upon us. In my new role as supply analyst, I'm always looking at the next month's forecast and supply plan. I'm sure many of you have been in this same situation - *time flies when you are working ahead a month every month!*

We've had a busy season of PDMs and CPIM classes. It was great to see people out on such a cold night in January for the PDM! If you haven't already made it to a PDM this year, email Rhonda and sign up for the next one! I always find the speakers very interesting. The schedule and RSVP details will be listed below.

I hope everyone feels like they have a voice in our community. I encourage everyone to speak their minds on what they are looking for in this chapter, even some interest in CSCP! Be sure to check the website for regular updates and information. Also look for us on Facebook!

Mitchell Calvert

February PDM

AI & AI's

1502 South 12th Street, Sheboygan, WI, 53081

Date: Tuesday, February 09, 2016

Speaker: Pat Rush, Plant Manager Rockline Industries

Pat joined Rockline in November 2006. He started his career at Rockline as a Shipping Manager. Within two years, he was selected to manage the Customer Service team. Two years after that he moved into the role of Product Manager for retail coffee filters and baking cups within the Marketing Department. He was promoted to his current role Plant Manager in 2013.

Topic: Doing it RRITE

Founded in 1976 and headquartered in Sheboygan, Wisconsin, Rockline Industries is one of the world's largest manufacturers of coffee filters and wet wipes. This family-owned, privately held company has repeatedly created first-to-market product design solutions for the wet wipe consumer and continues to provide innovative new material successes in the non-woven industry. Rockline employs approximately 2,000 people worldwide and has manufacturing facilities in Wisconsin, Arkansas, New Jersey, England and South China. Their breadth of products between coffee filters and wet wipes is varied. They produce baby wipes, facial wipes, moist toilet tissue, hard surface disinfecting wipes, basket style coffee filters, cone style coffee filters, paper baking cups and aluminum foil baking cups.

They provide their products, services and excellence under the premise of their RRITE values. RRITE is broken down as follows:

One thing that hasn't changed is our desire to be the best in the world. Our goal is to do business **RRITE**. To us, this means:

Renew - Recruit the top talent and provide the best technology available. As a family owned business with no stock price or dividend pressures we will invest all earnings back into the business.

Respect - Treat others as we want to be treated. (Associates, suppliers, customers, community and environment.)

Integrity - Do the right thing when no one is looking, every time. Nothing is more important than Rockline's reputation.

Teamwork - Individual goals are secondary to team goals. We are only as good as our weakest link. We don't compete with suppliers, we value innovation, and we play fast and fair. At Rockline you have a chance to make a difference in a team based culture.

Excellence - Best in class. We will not take shortcuts. We will deliver excellence in our products, process and services. In our competitive set we will be at the top of the pyramid in delivering excellence.

Offering such a wide breadth of products across the private label industry is challenging. There are many opportunities in the marketplace that can easily detract from the mission of their people and their services. Executing to their values helps guide them as a complete Rockline team in terms of knowing what they are good at, how they will execute and keeping their focus when multiple decisions are at hand.

<u>Time</u>		<u>Cost</u>

BOD Meeting Schedule

BOD meetings are planned for the first Wednesday of the month except as noted. Meetings are held at Lakeshore Technical College at 6:00 PM. All members are welcome to attend any board meeting. Please let any current board member know if you would like to attend as we normally have a light meal preceding the meeting and it will help us to ensure we have enough for all.

Editor's Note

If you have an interest in any specific news item, have a question or wish to see something added to the newsletter please e-mail your request to newsletter@shorelineapics.org.
