APICS Fun Facts

The Shoreline Chapter was officially proclaimed and recorded as a Chapter of APICS on May 19th of 1990 and this year we will be celebrating a great milestone as we reach our 25th year as a part of the APICS family. [Register Now - for the 25th Anniversary PDM.](#)

Message

Greetings Members and non-Members alike,

April Showers, bring may flowers, and grass cutting, weeds, bugs, and sunburn. But that's ok, because we need the warmth after a long hard winter. That's right, it will warm up. Speaking of warming up, things are heating up with the end of the APICS year. The board of Directors will wrap up the final get together as we hold our 25th anniversary program on April 19th at Town and Country. We will meet one last time in May to close out the old year and prepare schedules and budget for year 2015-16 and then we will be off for the summer. We will however be available via email if needed. We had a good year and thank you all for participating. As always we are looking for ways to improve, so a survey will go out the first week of May. Please take the time to answer the ten short questions. We look forward to your input as to what was good, and also what we can do to improve. Remember, bringing a non-member guest to the anniversary program is ½ price. Use this to invite a co-worker. Non-members, you are always welcome, I hope to see you there. Information on this event and how to sign up will be in the newsletter.

I would also like to take this opportunity to thank the Board of Directors for all the effort, time and commitment to putting out an exceptional year for our members. It has been a pleasure serving as President.

Many Thanks,

Daniel R. Otte
APICS Shoreline Chapter President

May PDM - 25th Anniversary!

May 19, 2015

Town & Country Restaurant

W1945 County J

Sheboygan WI 53083

Members – Bring a Non-Member Guest for half price!

Please register by 5/12/2015!

Speakers

Sharon Rice, Vice President, Strategy at APICS

Sharon Rice is the vice president of strategy for APICS and oversees the overall strategic direction of APICS to maximize growth and profitability. Ms. Rice is responsible for the project management office and has also served as executive director of the APICS Foundation, where she oversaw the operations and success of the foundation.

Ms. Rice has been responsible for guiding the planning, development, and management of APICS education courseware, professional development programs, research, industry content, publications, and marketing for the past five years. She brings 20 years of association management experience to APICS.

About the Presentation:

Today's boundaryless marketplace is changing the way supply chain and operations management professionals think about their human capital. As organizational structures advance and evolve, new and often challenging talent requirements arise.

During our keynote presentation, Sharon Rice, APICS Vice President of Strategy, will discuss evolving corporate supply chain capabilities and how supply chain professionals can ensure they have the competencies needed to achieve their professional and personal goals. She will share insights from APICS Supply Chain Council sponsored research and how APICS continues to contribute to both corporate and professional success through its education and certification programs.

Jill Preissner, Youth Apprenticeship Specialist, LTC

Jill Preissner is a graduate of the University of Wisconsin Oshkosh holding a Bachelor's of Letters and Science Degree. Her past employment has been based in the customer service and human resource fields including a staffing agent for Flex-Staff Employment Agency and the Student Employment Manager at Lakeland College. Jill was hired in November, 2011 at Lakeshore Technical College. The Sheboygan Area Youth Apprenticeship Program has grown from 11 students to a projected 120+ for the upcoming 2015/16 school year with 50+ area business partners and 16 local high schools under her guidance.

About the Presentation:

Youth Apprenticeship is a program, which is under the guidance of the Department of Workforce Development in the state of Wisconsin. The program allows students as juniors and/or seniors to discover a career while they are still in high school. Students must work under a trained mentor's guidance for 450+ work hours, take a class which is relevant to the career each semester and earn elective credit by their high school each semester. The businesses must pay the students for their work hours, mentor the student in the skills necessary and grade the students as well as actively participate in grading conferences three times per year to ensure a quality experience for all involved.

The celebration will include a \$250 Cash Drawing, and many exciting door prizes!

BOD Meeting Schedule

BOD meetings are planned for the first Wednesday of the month except as noted. Meetings are held at Lakeshore Technical College at 6:00 PM. All members are welcome to attend any board meeting. Please let any current board member know if you would like to attend as we normally have a light meal preceding the meeting and it will help us to ensure we have enough for all.
