APICS Fun Fact

“On Thanksgiving the Four Basic Food Groups are ‘more’, ‘a little more’, ‘a lot more’ and ‘too much’.”

Message from the Board of Directors

Greetings Supply Chain Professionals,

Professional growth is an integral part of any supply chain and logistics career. This is the reason why APICS Shoreline Chapter hosts supply chain networking events such as our Professional Development Meetings every month, covering a variety of topics of interest for anyone involved in supply chain and logistics operations and management.

Our Professional Development Meetings (PDM) offer the chance to both learn more about a specific area within the supply chain and logistics field as well as the opportunity to connect with fellow supply chain professionals. A typical meeting will include:

- A guest speaker who will educate the crowd about an innovative topic related to Supply Chain and Operations Management
- Networking with peers and colleagues
- Participating in our member raffles
- Having fun!

Shoreline Chapter PDMs are held once each month, September through November and February through April. PDM content varies from meeting to meeting and year to year, featuring presentations and discussion by supply chain and manufacturing excellence experts. In addition, some of the PDM's feature plant tours at some of the most cutting-edge companies within our community!

This calendar year we visited local area businesses and had the privilege of gaining insights from other Supply Chain professionals from diverse industries. Recently presented and future PDM topics include:

- Capacity Planning – Tom Allen, Johnsonville
- Tour of Plymouth Foam in Plymouth, Wisconsin
- History of WSI – Steve Elliott, WSI (Warehouse Specialists, LLC)
- Manufacturing – Eric Decker, WI Manufacturing Extension Partnership
- Tour of Masters Gallery in Plymouth, Wisconsin
- Supply Chain Operations – Brian Galardo, Echo Engineering & Production

You do not need to be a member of APICS to attend. Meetings are open to all - bring your boss, your coworkers, anyone interested in the PDM topics and the networking opportunities. The PDM offers a great value at \$25 for members, \$30 for guests, and \$15 for students and retirees. As an added bonus, PDM attendance provides 1 CEU Credit towards Certification Maintenance Points for participating.

What people are saying about our PDMs?

“Speaker did great job interacting with group!” “Excellent PDM!” “Enthusiastic speaker, personal and professional presentation!”

If you are interested in joining us for a future PDM, please visit <http://www.shorelineapics.org/news-and-events> to register for an event.

We hope to see you there!

Rhonda Shermeister, CPIM
