“On Mondays, I get ready to plan my week. On Tuesdays, I plan my week. On Wednesdays, I revise my plan for the week. On Thursdays, I put my plan for the week into my computer. On Fridays, I think about starting my plan for next week.”

Message from the Board of Directors

Friends and Colleagues,

Welcome to another great year of educational and networking opportunities with APICS Shoreline Chapter!

To advance your career, we continue to offer certification courses in Certification in Production and Inventory Management (CPIM). Classes this year will be held at Kohler Learning Center (see our website <http://www.shorelineapics.org> for details).

If you are not yet a member, I encourage you to join! APICS brings new dimension to your career through its many educational programs, including its industry-essential certifications. When you join APICS, you become a member of an elite organization recognized throughout the world as the authority in supply chain and operations management. Additionally, membership benefits both you and your employer. Not a member of APICS, no problem! You can still attend one of our six Professional Development meetings with industry experts on exciting topics with very practical,

real-world applications for just \$30.00. Meetings are open to all - bring your boss, your coworkers, anyone interested in the PDM topics and the networking opportunities. Additionally, I invite you to explore what Shoreline Chapter has to offer through our website <http://www.shorelineapics.org>.

I would like to welcome our newest board members – Michelle Loose from Johnsonville who will be serving as our VP of Newsletter and Lori Justinger from Kohler who will be serving as our VP of Marketing. We are excited to have them join our board and bring their wealth of industry experience to the board.

WE ARE LOOKING FOR BOARD MEMBERS!! Do you have an interest or desire to meet people, develop your leadership skills, and earn certification maintenance points? Our board is a team of dedicated volunteer leaders who bring diverse points of view and drive our chapter's strategic direction. We encourage you to consider joining our board. Not sure if this opportunity is right for you? I urge you to join any of our Board of Director meetings held on the first Wednesday of each month at 5:30pm at Lakeshore Technical College. If you are interested, please email rshermeister@wigwam.com at least two days prior to the scheduled meeting to confirm attendance.

In addition, I would like to also recognize our newest Shoreline member – Jeannine Heppard.

This year, I encourage you to speak up! The Board of Directors is a volunteer board and we need to know what you think about your membership. What is missing? What would you like to see offered? What could we do better?

Thank you so much for your continued membership to the chapter and to APICS as an organization. Your participation means the world to us and we need your feedback. I look forward to hearing from you this calendar year! Hope to see you at the PDM's this year!

Thank YOU for Your Continued Support!

Rhonda Shermeister, CPIM
Shoreline Chapter President

Current PDM Information

September PDM

Timeout Sports Bar & Grill

1027 N Rapids Road, Manitowoc, WI

Date: Tuesday, Sept. 18, 2018

PDM Time: 5:00 – 8:00 pm

Speaker: Joe Van Derven, Vice President of Information Systems at Sartori Company

Topic: “ERP Systems”

Joe began his career at Sartori in 2016 as the Director of ERP Systems. Currently he is the Vice President of Information Systems at Sartori Company with responsibilities over information technology and their ERP environment.

Joe grew up in Green Bay Wisconsin and attended the University of Wisconsin-La Crosse where he received a degree in Management Information Systems (MIS). Over the next 18 years, he has held many information systems positions working on ERP systems at Kimberly-Clark, Deloitte Consulting, Kohler Company, and Delta Apparel.

About the Presentation:

Enterprise Resource Planning (ERP) systems integration with Supply Chain Management (SCM).

This presentation will give an overview of Enterprise Resource Planning (ERP) concepts using SAP modules as examples and relate ERP concepts to Sartori Company’s supply chain. The presentation will give the audience an understanding of how important an ERP system is to manage a successful supply chain. The deep understanding of these concepts is essential for a supply chain professional.

Board of Directors Meeting Schedule

BOD meetings are planned for the first Wednesday of the month except as noted. Meetings are held at Lakeshore Technical College, in Sheboygan County Training Room (L241) at 5:30 PM. All members are welcome to attend any board meeting. Please let any current board member know if you would like to attend as we normally have a light meal preceding the meeting and it will help us to ensure we have enough for all.
